ALBERTA COUNCIL FOR EXCEPTIONAL CHILDREN

YES I CAN! STUDENT AWARD 2022

The Alberta Chapter of the Council for Exceptional Children would like to recognize and celebrate the outstanding achievements of children and youth with exceptionalities in our province with the YES I CAN! Awards program.

The Council for Exceptional Children (CEC) is the largest international professional organization dedicated to improving the educational success of individuals with exceptional needs and talents. CEC provides professional development, advocates for individuals with exceptionalities, and helps professionals obtain conditions and resources necessary for effective professional practice.

We are looking for students who have demonstrated significant personal accomplishments in the areas of academics, arts, athletics (including motor skills), school and community activities, technology, self-advocacy, and transition (work, vocational training or independent living). Full details on each category are included on the next page. We need your help to find and acknowledge these students in your community. Nominations may be made by teachers, principals, related service providers, friends and family. Each student nominated will receive a Certificate of Achievement. Students may only be nominated in one category but you may nominate as many deserving students as you like.

Please complete the nomination form below and YES I CAN! Student Award Information Sheet including a one-paragraph summary outlining the reasons why the individual was nominated.

Please Note: All nominations must be received no later than May 30th, 2022 in order to be recognized at the Virtual Awards Ceremony to be held before the end of this school year; nominations received after July 1 will be referred to the following year's conference.

Please forward completed form(s) to:
